WELCOME

The Cariboo Festival Board and Committee extend a warm welcome to all performers, volunteers, teachers, adjudicators, sponsors, and others involved with the 2022 Cariboo Festival.

ON-LINE REGISTRATION WILL BE OPEN from January 3 - 31, 2022. Quesnel may be eligible to register from February 3 – 9, 2022 (based on eligible spaces).

If you are experiencing challenges with registration, please contact cariboofestivalprez@gmail.com for assistance.

Note also that registration fees are required at the time of registration, either through PayPal or by sending a cheque in the mail at the time you register. The final date to receive payments is January 31, 2022.

For the 2022 Festival, due to the current COVID-19 situation, we have allowed for in-person performance as long as the current public health order permits. Groups / ensembles may be eligible for submissions; however, they may be required to follow our e-festival format. We have adjusted our 2022 syllabus to permit in-person and online submissions.

If the entrant submits virtually, in order to be considered for Provincials, they must be able to comply with any Provincial health order, or health directive by Performing Arts BC. Additionally, entrants who wish to be eligible for Provincials must agree to others in their same competing class, to having the ability to view their virtual performance for a limited time. (IE: all Junior Concert Recital Vocal performer who would normally perform together in live performances, have the ability to share their virtual performance).

The goal of the Cariboo Festival Society is to encourage the development of the arts within the community of Williams Lake and surrounding area. Through a month-long spring festival, the Cariboo Festival promotes educational and artistic growth in music—voice, piano and a variety of instruments. We serve hundreds of participants from schools and the community through individual classes (solo and ensemble), championship playoffs, and special concerts, including our finale Honours concert. Participants receive instruction by highly qualified adjudicators from around BC, and eligible entrants are recommended to proceed to the annual provincial festival held in a different British Columbia community every year.

The Cariboo Festival Society is registered under the *British Columbia Society Act*, affiliated with Performing Arts BC, and a member of the Williams Lake Community Arts Council.

The 2022 Cariboo Festival continues to provide a full complement of classes and awards in each discipline. Please read the Syllabus carefully to note any changes from previous years' guidelines and rules, discipline-specific rules, class description and/or registration fee changes. All registrants and their teachers are asked to please note the rigid stipulation that only originals may be used in the Cariboo Festival. Any use of photocopies places Cariboo Festival Directors, as well as the performer, at legal risk under copyright infringement.

The spring festival and all the preparations—arranging for adjudicators and venues, preparing the syllabus and programs, organizing concerts and awards, publicity, website development, and fundraising—are planned and carried out by dedicated and caring volunteers who make up the Festival Committee. We are always looking for ways to improve the festival. New volunteers and award sponsors are always welcome!

- **Entrants experiencing financial difficulties can contact the Cariboo Festival by emailing info@cariboofestival.ca with a short description of need to waive entry fees. Applications must meet the entry form deadline.**

1. Cariboo Festival is open to all residents of B.C. To be eligible for the Provincial Competitions or awards sponsored by the Cariboo Festival Society, entrants must be residents of the central Cariboo region. Students **may** compete from other Festivals and **may** be eligible for Provincials through the Cariboo Festival if a local participant is not eligible to fill the class. This will be done on a case-by-case basis, voted upon our Cariboo Festival Society board members.
2. The Cariboo Festival Society is for amateurs only with the exception of the adult adjudication-only classes and family or student teacher classes. An amateur is defined as one whose principal income is not derived from musical or dramatic sources. Occasional remuneration for services by a student intended to be used for further study does not contradict the above definition of an amateur.
3. The Festival Committee reserves the right to create classes as deemed necessary, or to reassign any entry to a more suitable class.
4. The correct entry form must be used for the discipline (piano, vocal, band and instrumental). There will be no changes or substitutions by registrants after the entry deadline.
5. Festival entries are final after our January 31, 2022 deadline, with no refunds for withdrawals, unless due to medical reasons. (see note 11)
6. **The adjudicator's decision in all matters of adjudication is final.** Complaints, protests, or representations of any kind concerning the adjudication will be considered by the Festival Society if made to the Cariboo Festival Secretary at 629 Pinchbeck Street, Williams Lake, B.C. V2G 1E6 in writing within 24 hours after the event in question, either postdated by regular mail or by email. A letter of complaint must be accompanied by a protest fee of \$20 to be returned if the complaint is upheld.
7. Complaints apart from an adjudicator's decision must use an official protest form (available at all sessions) stating the nature of the complaint. This must be received by the Cariboo Festival Society no later than one week after said incident.
8. Violation of rules may result in disciplinary action. All matters of disciplinary action will be taken under advisement by the Executive Board of the Cariboo Festival Society under Roberts Rules of Order, Art. 60.
9. The Cariboo Festival Society provides the following guidelines to adjudicators:

GOLD (85% and over)	Excellent performance	SILVER (80 – 84%)	Good performance
BRONZE (75- 79%)	Fair performance	PARTICIPANT (Below 75%)	Less than fair

10. A performer who is unable to participate due to medical reasons may be refunded for fees over \$20. A request for a refund, along with a doctor's note, must be submitted to the Festival Committee in a timely manner.
11. All performers should be prepared to perform at the Honours Concert if asked to do so by the Festival Committee.
12. In order to be recommended for Provincials, a participant must perform in at least two (2) solo classes at their local festival at an appropriate level and receive Gold Standing in both classes. Please visit www.bcprovincials.com for complete details regarding Provincials.
13. In the event of discrepancy of information between this document and other Cariboo Festival documents, this document (the 2022 Syllabus) will take precedence. Award information is subject to change without notice.
14. A festival may send any number of qualified competitors to a Provincial Excellence class upon an adjudicator's recommendation.
15. Provincial Excellence classes will replace the Provincial-National classes. See individual disciplines for Provincial Festival performance requirements.
16. Competitors in these classes will continue to be chosen by Adjudicators at local festivals and will be expected to be performing at a very high level, generally higher than that required for recommendation to Senior classes.

17. The Provincial minimum standards must be met. (Page 3, Rule 12) and there will be no limit to the number of qualified competitors that local festivals may send to these classes.
18. No Provincial Excellence competitor may be over age 23 for instrumentalists and 28 for vocalists as of December 31 st before the upcoming Festival.

These classes may vary in arrangement depending on the number of entries. Please state usual grade level or number of years of study on entry form.

Adult Piano Workshop: The Adult class provides a non-competitive nurturing atmosphere designed to encourage adults of any level to perform and partake of the adjudicator's expertise.

Each composition is a separate entry. Each composition must be written on manuscript paper in black ink, or it may be computer-generated. Each entry is assumed to be the original work of the individual whose name appears on the entry form, and hard copy will be brought to the Festival for the Adjudicator to review during performance. All rights to the composition will be retained by the composer. All composers will receive a certificate of participation. However, due to the subjective nature of this class and diversity of styles and forms, there will be no mark attached. Students will receive an adjudication only.

Dear Cariboo Festival supporter,

On behalf of the Cariboo Festival Society, we would like to take this opportunity to inform you about our Society and to make a request. Since the 1970's, the Cariboo Festival has given children, youth, and adults in Williams Lake and surrounding areas the opportunity to perform in the vocal, choral, piano, band and instrumental, and the speech arts disciplines. The students are also judged and receive valuable instructions from highly skilled professionals. The top achievers represent our area in the Provincial Festival.

The volunteers who are part of the Cariboo Festival are busy preparing for the 2022 Cariboo Festival, and I hope that you might consider helping us as well. Our future of our Society needs volunteers to help. Sadly, for the 2022 Festival we are looking at omitting the Speech Arts and Band & Instrumental disciplines. Without volunteer help, we are not able to make all this happen. Along with the many dedicated volunteers that help make each festival a success, financial donations are also needed in order to cover expenses. Your financial donation will help us continue to provide this great experience to the many talented people in our area.

You may choose to designate your donation toward general expenses of the Cariboo Festival, or you may wish to sponsor a specific scholarship in one of the many disciplines. Your business or personal name will then be recognized on our Festival website www.cariboofestival.ca, prior to and during the Festival, throughout the 2022 Cariboo Festival, and at the venues. We will send you a receipt for tax exemption.

The Festival requests that all donations be in by February 15, 2022 if possible. This will allow time to notify the jewelers to prepare awards and acknowledge your name, your company's name, or your organization's name in any of our publicity or programming. If you wish to make a donation, please contact any of our Committee members listed on our website or at the beginning of this Syllabus.

Thank you for supporting Performing Arts in Williams Lake!

Sincerely,

Cariboo Festival Board and Committee

Section 2 of the registration form has the area where boxes are required to be ticked with regards to this. **Cariboo Festival will not release any video or photo publicly without this consent.**

How do entrants perform?

- Performers will be scheduled to complete all in-person performance pieces within their scheduled time per discipline at associated venues.
- Entrants who do not meet the requirements for in-person performances, will be required to upload their virtual submission to the adjudicator via YouTube (as an unlisted video, thus it remains private)
- The unlisted YouTube links will be shared via email to the performers competing in the associated class and be only available for a limited time.
- If COVID-19 rules dictate no “in-person” performances, entrants will be responsible to record their entries and upload them to YouTube (as an unlisted video, remains private). A link is provided to the Festival through email to cariboofestivalprez@gmail.com
- Please see the “How to Upload a Video to YouTube” on our FAQ section of our website

Are there special requirements for the recorded submission?

- Please see full recording rules within the 2022 Syllabus in the Performance Section
- Special recording equipment will not be required. It is understood that many recordings will be taken with phones or tablets. **The adjudication will be based on the entrant’s performance, regardless of the quality of the recording.**
- Recording submissions will be dependent on Provincial Health Orders (either submitted by Festival or entrant’s submission if “in-person” performing not available) Deadlines will be reviewed March 2022.
- Be prepared that there will be a 2-week deadline for submission of recordings if “in-person” performance is not allowable.

How do entrants submit repertoire?

- **All repertoires must be scanned and submitted by March 5, 2022.**
- Scan the repertoire and include the front cover of the book. Photographs may be taken if scanner is not available for use. Photographs must be clearly legible for the adjudicators. The front cover of the book is required for copyright purposes.

- If you are using a digital copy of purchased repertoire, please download a PDF copy and include a copy of the receipt.
- If required information has not been sent by the deadline, entrants will be disqualified.
- Repertoire can be submitted via WeTransfer (<https://wetransfer.com/>) to email address cariboofestivalprez@gmail.com
- Subject line needs to be as follows:

Registrants Name, Discipline, Performance Piece Title(s)

What are the important dates?

- Registration opens - **January 3, 2022**
- Registration closes / payments due – **January 31, 2022**
- PDF/ Photograph copies of entrant’s performance pieces emailed – **March 5, 2022**
- Videos will be submitted after the close of registration, with deadline review March 2022.

Dependent on COVID Provincial Health Orders, video submissions may be required by the individual participants, if “in-person” performances at specified venues are not eligible. Specific deadlines for video submissions will be announced as soon as possible – 2-week deadline set for submissions.

What about accompaniment?

- It is understood that it may not be possible to have an accompanist at the time of the recording. If this is the case, it is recommended that the accompanist record the part and entrant perform to that recording. If that is not possible a recorded accompaniment may be found online. **It is essential that the accompaniment and the entrant’s performance be submitted as one video recording and not edited together.** It is expected that accompaniment will be done on piano.

How does adjudication work?

- The adjudicator views registrations and attached performance videos.
- The adjudicator provides a written adjudication and video comments.
- The entrant will receive their adjudications via email that they have provided at registration.

Can I watch other performances?

- Yes, all students registered in a class may view the performances within that class online. There will be no “live” performances. Time limit will be given for viewing.
- Information as to how this will be done will be provided later – either via unlisted YouTube links or Google Drive.

Will there be a concert?

- Dependence on COVID Provincial Health Orders, there may be opportunity for an Honours Concert. We are hopeful that the 2022 Festival Honours Concert can be held in May 2022.

What about privacy?

- Due to the virtual nature of our 2022 Festival, entrants who wish to be eligible for Provincials must agree to others in their same competing class, to having the ability to view their virtual performance.
- Section 2 of the registration form has the area where boxes are required to be ticked with regards to this. **Cariboo Festival will not release any video or photo publicly without this consent.**
